Designed as a practical and well-equipped family SUV, this 2024 Ford Territory Trend combines a spacious cabin with modern technology and efficient turbocharged performance. Its 1.8L EcoBoost 4-cylinder engine produces 190 BHP and 320 Nm, paired with a 7-speed automatic transmission for smooth and responsive everyday driving.

The Trend offers a strong balance of comfort, practicality and technology, with a large 12-inch touchscreen, Apple CarPlay and Android Auto, dual-zone climate control, LED lighting and a generous seven-seat layout. Its combination of modern styling, useful interior space and easy-to-drive character makes it a particularly appealing choice for daily family use.
